

Dear Valued Member,

We are already half way through the year - how time flies when you are having fun. With winter in full swing we are once again reminded how lucky we are to live in a climate where we can play golf all year round. Even if it is freezing, it is never too cold to play golf.

It is very exciting times for golf on a global stage with young international players from across the world making their mark on the PGA tour. The PGA tour in the United States was historically dominated by American players but over the last 12 months has seen the most international winners ever; including this year's two major winners Rory McIlroy and our own Charl Schwartzel with an unbelievable final round at the Masters. Rory's record breaking performance at the US open had everyone in awe at how good this 22 year old kid really is. His dominance and calm confidence was made even more impressive coming back from a disastrous 80 played in the last round of the Masters, having led the tournament from the start. Rory's win ushers in a new era in golf. Let's see if the rest of the pack can keep up.

The New SAGA Titleist affiliation card

As most of you know the South African handicap system changed late last year and with it new cards were issued to all golf members in SA. Despite numerous correspondences for collection or delivery of the cards we still have a small number of cards with us. If you are not in possession of the new SAGA green Titleist card please contact Jacky Jenkins on 072 671 6770 or email us at admin@theplayersgolfclub.co.za . The old Black Srixon cards will no longer be accepted by clubs.

Contact details

In order for us to stay in contact with you we require updated contact details to do so. If your contact details or address have changed please notify us by contacting Jacky on 072 671 6770 or emailing us at admin@theplayersgolfclub.co.za .
